## A Fantastic Friday

What a Friday to finish off last week! Thank you to the School Council for all the work they did in putting together the pancake breakfast. It is always a fun time.

I hope that the students enjoyed breakfast. There was lots of food to eat.

Junior High elections were also held Friday (see sidebar for results). Thank you to those who put their names forward and congratulations to our winners.

The weather cooperated just enough for the High School students to enjoy TOGA. There was lots of food, water and fun for everyone.

## Nominate a teacher

Magrath High School has a great teaching staff. Since 1989 Alberta Education has had an Excellence in Teaching Awards Program. Parents and students can nominate a teacher that they feel should be recognized. If you would like to nominate a teacher you can learn more information at [www.education.alberta.ca/teachers/excellence.aspx](http://www.education.alberta.ca/teachers/excellence.aspx).

## Good news from counseling

Jordan Anderson recently returned from a two-year mission. He originally had a \$5000 continuing scholarship for Engineering at the U of L. Because of the mission he lost that scholarship but the U of L found him another transfer scholarship for the U of A for the same value. Congratulations Jordan and thanks to the U of L for working things out for one of our students!

## Volleyball Action

Congratulations also go out to the Varsity Zenith and Pandas volleyball teams on a successful weekend. The Zeniths finished 3<sup>rd</sup> in the opening league tournament and the Pandas won their games against both Cardston and Raymond.

## School Council

The general School Council meeting on September 23 is a great opportunity for parents to get involved in the school. Positions are up for election at this meeting. There will be a draw at the meeting for one free general school fee (this does not include course fees or sport fees). Please get involved in helping our school be the best it can be.
